# TRI-CITY CLUB RULES – PLEASE READ

1. USGA rules govern all play.
- \*2. All play starts from No. 1 tee. Everyone must sign in before teeing off. All guests must pay fees before playing, not after.
3. **Each golfer must have his or her own bag.**
4. You may not play a mulligan on No. 1 tee.
5. All fences are out of bounds. Anything past white stakes along No. 5 and No. 6 is out of bounds. Out of bounds penalty is loss of distance and one stroke penalty. Example: If you hit your first tee shot out of bounds, the next ball you hit off the tee will be your third stroke.
6. In case of lost ball in creek, play another ball with a one stroke penalty from fairway near where ball was lost.
7. You cannot touch or move your ball in fairway roughs, sand traps, shrubs, tall grass, creek, or along fences. If the ball cannot be played where it lies, it can be lifted to the fairway with one stroke penalty, but never advancing the ball closer to the green.
8. If your ball lies in mulch around trees, you can move your ball a club length without advancing to the hole without a penalty stroke.
9. Ball may be lifted from a bare spot or roadway without penalty, but never advancing the ball closer to the green you are playing.
10. If your ball hits the wires across entrance road, play another ball without penalty.
11. Replace divots. Push down torn sod.
12. Winter rules apply to the mowed fairway only.
13. Do not drive off putting greens. Lift off without penalty.
14. On greens No. 4 and 9, allow the next foursome to tee off before you putt out.
15. Lost ball by one or more players shall be hunted by all members. **After 3 minutes**, following players shall be signaled to play through.
16. **Slow players must allow faster players to play through.**
17. At all times, foursomes shall have right-of-way over any other number of players except in regular matches where twosomes shall have preference. **Only under clubhouse manager's discretion will groups larger than 4 be allowed to play.**
18. No player shall approach any green until preceding players have holed out and are off the green, exception on holes 4 and 9 (see rule 14). Players should move off the green promptly to avoid delaying following players. Mark your score down when you reach the tee.

These rules were adopted with the intention of making the game and the course better and more pleasant for all. Your cooperation is appreciated.

19. All found balls which are marked must be turned in at the clubhouse.
20. Soft spikes mandatory.
21. By-laws state that no child under age 12 will be allowed on the course unless accompanied by an adult. Please help protect your children!
22. Beginning at noon on Saturday through Sunday no persons under 14 years of age will be allowed to play unless accompanied by a parent or adult. This also means being on the course hunting balls, playing in the creek, etc.
23. No golf cart may be driven in the vicinity of the clubhouse or on the course unless one rider has a drivers license.
24. When playing Hole No. 8 if your ball comes to rest in the No. 5 fairway north of the driveway, the ball must be laterally moved back into No. 8 fairway no closer to the hole with one stroke penalty. If the ball comes to rest in the rough between No. 5 and No. 8 there will be no penalty and the ball must be played where it lies.
25. No students enrolled in high school or younger may golf on Men's Stag. College students may golf on Men's Stag when accompanied by parent member.
26. Student members are not entitled to guest privileges.
27. Your guest has to be golfing in your foursome to qualify for the guest green fee.

*\* Rules may change under manager's discretion. These rules were revised by the present Board during the 1997-98 season.*
